

*Thua Thien Hue, May 12, 2022*

## **FIRST ANNOUNCEMENT**

**on the 3<sup>rd</sup> International Conference on Culture and Education – ICCE 2022**  
***“Franco - Vietnamese - Japanese Cultural and Educational Exchange:  
History and Evolution”***

### **I. Objectives of the conference**

Cultural contact, exchange, influence and acculturation is a frequent and essential demand in human history. The influence and acculturation of culture and education among the three countries of France - Vietnam - Japan has a long tradition and history. Currently, France, Vietnam and Japan have many active policies to enhance the collaboration in culture and education. In that context, the University of Education, Hue University in collaboration with domestic and foreign universities and research institutes organize the 3<sup>rd</sup> international conference on culture and education with the theme ***“Franco - Vietnamese - Japanese Cultural and Educational Exchange: History and Evolution”***.

### **II. Themes**

The conference concentrates on the following themes:

1. The influence and assimilation of culture and education between France and Vietnam, between Japan and Vietnam;
2. Franco and Japanese cultural and educational achievements and heritages in Vietnam
3. Vietnamese culture in France and Japan
4. Prospects of cultural and educational cooperation and development among France - Vietnam - Japan
